rishi

At Rishi, we leave *No Leaf Unturned* in our journey to discover and source the highest quality organic teas and botanicals from the most remote gardens in the world. As a direct trade importer, we travel thousands of miles each year to work side-by-side with tea farmers during the peak growing seasons. The artisans at Rishi bring these organic ingredients to life in the most flavorful and aromatic blends inspired by equal parts herbal traditions and modern culinary creativity.

Rishi's full-leaf organic teas are available in 15-count pyramid tea bags.
